

2016

Gravity Gran Prix

Lades and Gentlemen, Start your . . . gravity-powered racers

Have you always wanted to build and drive your own race car, but didn't want the hassle of thousands of adoring fans? Here's your chance!

The Li'l Rascals Gran Prix is a soap box derby race, where you build your own car to race down a hill. Think of it as a pinewood derby car that you can ride in.

The 2016 race will be held Saturday, September 3, 2016, at 3:00 pm.

Preliminary Inspection is Thursday, August 25, 2016, at 7:00 pm at Petetneet

Fee: is \$15 per car/\$10 per driver (each car can enter up to three classes). The race is open to everyone, male or female, young or . . . not so young, including residents of towns other than Payson.

Racers are to be completely gravity powered. All racers must run the specified wheels.

Visit derby.Leany.com for details on the race, including rules and registration information.

Any questions should be directed to Frank Leany at fleany@gmail.com.

General Vehicle Specs	Minimum	Maximum
Track width (outside of tires)*	24 inches	36 inches
Vehicle height	3" ground clearance	60 inches
Seating surface height	(3" ground clearance)	16" above road surface
